Re. Self Declaration of Bleaching method.

I can confirm that the Stoneywood Mill papers detailed below are manufactured using the following bleaching methods. I understand that this declaration expires two years from its submission to the Ministry for the Environment.

Paper Brand Name	Bleaching method and percentage
Conqueror Recycled	25% TCF and 75% ECF
Keaycolour Recycled	25% TCF and 75% ECF
Curious Particles	25% TCF and 75% ECF
Conqueror	100% ECF
Inuit	100% ECF
'Keaycolour' Product range	100% ECF
'Curious' Product range	100% ECF
Rives Laid Boards	100% ECF
Popset Colours	100% ECF
Sensation	100% ECF

I hereby confirm that the information detailed above is true and correct.

I confirm that the bleaching method used above is equal to or environmentally preferable to ECF (Elemental Chlorine Free).

I will immediately advise the Ministry for the Environment if information provided changes from that declared above.

Regards,
