Name of submitter: Mike Singleton

This is a submission on an application from the *New Zealand and North Canterbury Fish and Game Councils and the New Zealand Recreational Canoeing Association* for a water conservation order for *Hurunui River*.

My submission covers and supports all of the application, but in particular relates to: [include – whether you support or oppose the order; and the reasons for your views. Describe here your experiences on the Hurunui, and why it is important to you that it is protected. Attach further information if you wish to].

I support the application because
if I have fished the Hurunui River for
the past 30 years and am very concerned
that it may become spoilt in the same way
as other Canterbury Rivers that I am
familiar with
if I have little of any confidence
in local or regional Authorities
to adequately protect the Hurunui
River (its values and recreational
potential)

I seek the following decision from the special tribunal:

[Give precise details, including the general nature of any changes sought to the order or indicate your support for the water conservation order as has been sought. If you support the angling sections of the Hurunui being protected in their current state, such as the North and South Branches, tributaries, and sections of the mainstem upstream of the Mandamus confluence, then make a statement to this effect].

I wish for the a H.C.C.O. on the Hurunui River, protecting its natural values, fish passage, spawning grounds

I wish (or do not wish) to be heard in support of my submission, or

~~I nominate Fish and Game to present in support of my submission, or~~
