Name of submitter: SAM MATON

This is a submission on an application from the *New Zealand and North Canterbury Fish and Game Councils and the New Zealand Recreational Canoeing Association* for a water conservation order for *Hurunui River*.

My submission covers and supports all of the application, but in particular relates to:

- paragraphs 39-42 of the application, which summarises the outstanding amenity and intrinsic values of the waters, and
- paragraphs 96-115 of the application, which address the outstanding recreational attributes of the Hurunui River.

My submission is: [include -whether you support or oppose the order; and the reasons for your views. Describe here your experiences on the Hurunui, and why it is important to you that it is protected. Attach further information if you wish to].

I support the order: My reasons are too many to fill these few lines. Therefore I wish to speak at the hearing and present evidence in support of the order:

(1) An exhibition of works submitted to an art event held three years ago in support of the Hurunui

(2) Sections from a book I wrote about water "The water lives"

(3) Recorded anecdotes: People speaking about the river and its value to their lives.

I seek the following decision from the special tribunal:

[Give precise details, including the general nature of any changes sought to the order or indicate your support for the water conservation order as has been sought. If you support the kayaking sections of the Hurunui being protected in their current state, then make a statement to this effect].

I want the upper Hurunui, that is the river from the  
Mandamus, including the Man Samus, left entirely alone.  
I would prefer the lower river to be covered by this  
protection order as well - it has already been degraded to  
a point where it is unhealthy to enter the river in summer.

I wish (~~or do not wish~~) to be heard in support of my submission, or

I nominate the Whitewater Canoe Club (Inc) to present in support of my submission, or

I nominate the NZRCA to present in support of my submission.
