Name of submitter: Jacqui Berry

This is a submission on an application from the *New Zealand and North Canterbury Fish and Game Councils* and the *New Zealand Recreational Canoeing Association* for a water conservation order for *Hurunui River*.

The Applicants consider that the amenity and intrinsic values of the Hurunui River and its associated lakes and tributaries are nationally outstanding and should be recognized and sustained by a Water Conservation Order.

The Hurunui River and its associated lakes and tributaries are under increasing threat from major irrigation and hydro-electricity proposals. The Hurunui River needs robust and durable statutory protection to ensure that future generations are able to continue to experience its outstanding values.

The specific parts of the application that my submission relates to are:

My submission covers and supports all of the application, but in particular relates to:

- paragraphs 39-42 of the application, which summarises the outstanding amenity and intrinsic values of the waters, and
- paragraphs 96-115 of the application, which address the outstanding recreational attributes

of the Hurunui River.

My submission is:

The Hurunui is an accessible, varied and user-friendly whitewater resource. No other large city in New Zealand has such a valuable river on its doorstep. I support the granting of the Hurunui Water Conservation Order.

I have been paddling on the Hurunui for 5 years, it is where I first began kayaking, where I have taught others and where I can get away for a day with friends. Christchurch is an active city with many people who enjoy the Hurunui valley, one of the few rivers that can be accessed as a day trip. This river is accessed all year round providing a great flow for beginner to advanced kayaker, which is something quite rare to have on your doorstep especially now with gas prices rising it provides easier access.

I seek the following decision from the special tribunal:

I seek a decision from the tribunal to grant the Water Conservation Order for the Hurunui river

I do not wish to be heard in support of my submission

\* If others make a similar submission, I will consider presenting a joint case with them at a hearing.
