Name of submitter:

*sam brewer*

This is a submission on an application from the *New Zealand and North Canterbury Fish and Game Councils* and the *New Zealand Recreational Canoeing Association* for a water conservation order for *Hurunui River*.

The Applicants consider that the amenity and intrinsic values of the Hurunui River and its associated lakes and tributaries are nationally outstanding and should be recognized and sustained by a Water Conservation Order.

The Hurunui River and its associated lakes and tributaries are under increasing threat from major irrigation and hydro-electricity proposals. The Hurunui River needs robust and durable statutory protection to ensure that future generations are able to continue to experience its outstanding values.

The specific parts of the application that my submission relates to are:

My submission covers and supports all of the application, but in particular relates to:

- paragraphs 39-42 of the application, which summarises the outstanding amenity and intrinsic values of the waters, and
- paragraphs 96-115 of the application, which address the outstanding recreational attributes of the Hurunui River.

My submission is:

The Hurunui is an accessible, varied and user-friendly whitewater resource. No other large city in New Zealand has such a valuable river on its doorstep. I support the granting of the Hurunui

Water Conservation Order.

*(If time allows please add your personal perspective.. eg I have kayaked the Hurunui River on approximately xxx occasions since xxx ; it is where I learnt to kayak ; it is where I train or compete in slalom ; it is a great destination for day-trips ; it is a great place to stay for weekends; it is a great venue for instruction courses; it is great venue for rescue courses ; there are many sections to choose from ; its variable flows provide warm, slow water with many eddies in late summer; middle flows provide great playwaves ; also roller coaster, big-wave paddling in floods or spring flows ; it is always reliable as there is always enough water to paddle ; etc )*

I seek the following decision from the special tribunal:

I seek a decision from the tribunal to grant the Water Conservation Order for the Hurunui river

I wish (*or do not wish*) to be heard in support of my submission

*i wish to*

\* If others make a similar submission, I will consider presenting a joint case with them at a hearing.
