Name of submitter: David Richard Addison

This is a submission on an application from the *New Zealand and North Canterbury Fish and Game Councils and the New Zealand Recreational Canoeing Association* for a water conservation order for *Hurunui River*.

The specific parts of the application that my submission relates to are:

Giving my support to the application

My submission is:

To give support to the application. The Hurunui River should have a Water Conservation order placed on it as per the application from the *New Zealand and North Canterbury Fish and Game Councils and the New Zealand Recreational Canoeing Association*.

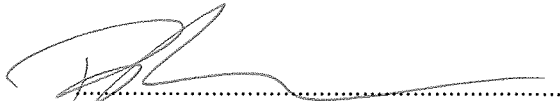

The Hurunui River should be left in it's natural state for future generations to enjoy as how I have been able to enjoy it. Human related modifications in and around the river should be kept to a minimum and any artificial changes to flow rates and levels should not occur.

I seek the following decision from the special tribunal:

Granting of the Water Conservation order as per the application

I do not wish to be heard in support of my submission.

* If others make a similar submission, I will consider presenting a joint case with them at a hearing.
