Dunedin 9054

1. Name of submitter: BRENDA HISLOP
2. Location in relation to the Hurunui River: Dalzell's Road North
off Medbury Road - bordering Hurunui River.

This is a submission on an application from the New Zealand and North Canterbury Fish and Game Councils and the New Zealand Recreational Canoeing Association for a water conservation order for Hurunui River.

3. My submission opposes all of the application, but in particular relates to:

I oppose the order as farming & living on the banks of lower Hurunui River do not believe the river has any more "nationally outstanding amenity and intrinsic values" than a number of other rivers in the Canterbury region. There is already many controls & checks in place to safeguard the river for recreational use and the protection of fish and game is closely monitored.

4. I have strong views in relation to the following:

There is no clear detail by the applicant on how any water allocation regime will be implemented & how the supposed outstanding features are to be protected. Current farming industry relying on irrigation already in place realises the value of the Hurunui River to all & follow the strict controls already taken to preserve this. If the proposed Hurunui water project were to proceed, this would give an even better control of a natural resource for the benefit of all in the community with increased work opportunities ^{more} even distribution of wealth for the rural community with the urban communities also seeing some benefit.

5. I seek the following decision from the special tribunal:

That the Order be Declined

I wish/do not wish to be heard in support of my submission (*choose an option*)

If others make a similar submission, I will consider presenting a joint case with them at a hearing
