This is a submission on an application from the *New Zealand and North Canterbury Fish and Game Councils and the New Zealand Recreational Canoeing Association* for a water conservation order for *Hurunui River*.

- My submission opposes all of the application, but in particular relates to:  
Don't believe characteristics of upper Hurunui  
as outlined in the application are considered outstanding  
1  
There is already many controls and  
checks available to protect the  
Hurunui current characteristics via  
the RMA.  
Could stop and cost Hurunui water  
project extra time and money.

- I have strong views in relation to the following:  
It locks up the Hurunui River  
value to the local community  
Canterbury and NZ economy  
you guys need to draw through

How the Culwood area to see its  
prosperity  
counterparts deny the rural people the opportunity for  
standard of living  
the equitable

It could stop future development for  
our farm as we are considering the

Herwin water Project
