1. Name of submitter: Sam Hislop
2. Location in relation to the Hurunui River: Dalzell's Road North
Medbury Road

This is a submission on an application from the New Zealand and North Canterbury Fish and Game Councils and the New Zealand Recreational Canoeing Association for a water conservation order for Hurunui River.

3. My submission opposes all of the application, but in particular relates to:

I do not believe the characteristics of the Upper Hurunui
as outlined in the Application can be considered outstanding.
The same characteristics are present in a number of other
Canterbury regions.

It is a waste of tax payer resources
to consider further protection of the Hurunui
River.

4. I have strong views in relation to the following:

The Application if went ahead would put
a burden of on the Hurunui Water Scheme proposal.
The local farmers around the Hurunui area
are in desperate need of water.
Wouldn't it be nice if all farmers
could prosper in the Hurunui area.
If the Hurunui water scheme went
ahead the community would certainly prosper.

I come from a dairy farm on Mackay road and
we all would like to see my neighbours
prosper from water irrigation on their farms.
After spending a year at the local school, it is clear to me that this
community needs a financial boost.

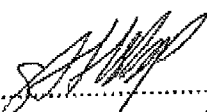

5.

I seek the following decision from the special tribunal:

That the order be declined.

I wish do not wish to be heard in support of my submission (choose an option)

If others make a similar submission, I will consider presenting a joint case with them at a hearing
