1. Name of submitter: Cameron Blakemore
2. Location in relation to the Hurunui River: 25 kms South

This is a submission on an application from the *New Zealand and North Canterbury Fish and Game Councils and the New Zealand Recreational Canoeing Association* for a water conservation order for *Hurunui River*.

3. My submission opposes all of the application, but in particular relates to:

The non-provision of water allocation
regime in order to allow farmer's to
harvest water from the Hurunui River.

4. I have strong views in relation to the following:

The farming future (with global warming, re-occurring
droughts and more intensive farming is not
viable without water harvested from the Hurunui
River. Also ^{with} the vast amount of vineyards, subdivisions,
and the expansion of Chch all on excellent
food producing soil, we are being relied

on to produce food off light/marginal soils
without the assurance of water.

5. I seek the following decision from the special tribunal:

That the application for a Water Conservation
Order on the Hurunui River be declined
due to the non-provision of water
harvesting / allocation rights.

I ~~wish~~ do not wish to be heard in support of my submission (choose an option)

If others make a similar submission, I will consider presenting a joint case with them
at a hearing
