

## Industrial Allocation Update 10

Welcome to this issue of our e-newsletter. The newsletter keeps you up to date on the regulations-making process for allocating emissions unit (NZUs) to businesses under the New Zealand Emissions Trading Scheme (NZ ETS).

### **In this issue:**

- [Group four activities announced](#)
- [New online application form](#)
- [Christmas period closing details](#)

### **Group four activities announced**

Applications for industrial allocation for the fourth group of eligible industrial activities ('group four activities') open in December 2010 and January 2011.

The activities and opening dates are:

Production of protein meal - opens 2 December 2010  
Production of fresh tomatoes - opens 1 January 2011  
Production of fresh capsicums - opens 1 January 2011  
Production of fresh cucumbers - opens 1 January 2011  
Production of cut roses - opens 1 January 2011

### **Production of protein meal**

Applications for provisional allocations open on 2 December 2010. At this time you can apply for the provisional allocation for 1 July to 31 December 2010 period, based on annual production for 2009.

Firms may choose to wait until January 2011 and apply for the:

- final allocation for 2010 (for the period 1 July – 31 December), and
- provisional allocation for 2011 (full calendar year)

at the same time.

For more information please email [etsallocations@mfe.govt.nz](mailto:etsallocations@mfe.govt.nz) or call 0800 CLIMATE (254 628).

### **Production of fresh tomatoes, fresh capsicums, fresh cucumbers and cut roses**

Applications for allocations open on 1 January 2011. From this date you will be able to apply for the:

- final allocation for 2010 (for the period 1 July – 31 December), and
- provisional allocation for 2011 (full calendar year).

Assistance for growers will be provided in workshops held throughout the country in December 2010 and late January/February 2011. Each workshop will show two half hour presentations (repeated).

The workshops planned for late January/February 2011 will be held in Auckland, Palmerston North, Blenheim and Christchurch.

#### **New online application form**

A new online application form will be available from 1 January 2011. The application form has been redesigned to be more user-friendly. For example, if you are applying for two activities or putting in two applications in the same session, the form saves details so you only need to enter your contact details once.

Look out for more details of the new application form in the January 2011 issue of the e-newsletter.

#### **Christmas period closing details**

The Ministry for the Environment closes from midday on Friday 24 December 2010 and

reopens on Monday 10 January 2011.

Any emails sent to [etsallocations@mfe.govt.nz](mailto:etsallocations@mfe.govt.nz) during this time will be responded to when we reopen.

The 0800 CLIMATE (254 628) contact centre closes 5.30pm on Friday 24 December 2010 and reopens on Wednesday 5 January 2011 at 9.00am.

We wish you and your families a safe and happy holiday.
