WHY DO WE NEED YOUR VIEWS?

- ☆ The Waimakariri District Council is preparing a new District Plan as required by the Resource Management Act 1991.
- ☆ The Plan will be important in shaping how Rangiora will look in the future, how big it may grow, what type of services it will receive, and what character the town will develop over the next 10-20 years.
- ☆ The Council needs to understand your views and aspirations for Rangiora in order to set out options for the future.

WHERE ARE WE NOW?

- ☆ Present planning controls are in the Rangiora Borough and Rangiora District Sections of the Transitional District Plan.
- ☆ The Council surveyed residents new to this District in 1994 to get their views about Rangiora.
- ☆ A survey of business people in 1994 gave the Council insight to their concerns.
- ☆ A change to the Plan Sections providing for greater freedom in setting up businesses in Rangiora has focussed some debate on the town's needs.
- ☆ The Our Town Rangiora Committee have promoted the town as a place to visit, shop and live.
- ☆ The District Profile tells us about the people, businesses and housing of Rangiora.
- ☆ The Regional Council has set out the flooding history of the Ashley River and its impacts on Rangiora in its report 95(6).
