Please tick the relevant boxes on the next page to identify whether you are making a submission on all notices of requirement and applications for resource consents or just some of them (please identify).

Please also indicate on the back of this form (✓) whether you support, oppose, or are neutral in relation to the notices of requirement and applications for resource consents. If you are making a submission only on parts of a notice of requirement or application for resource consents, please note this when specifying the reasons for your submission.

The reasons for my/our submission are:

If you are attaching further information tick for yes

I oppose transpower's application; due to the massive environmental impact the pylons and transmission lines will have.

Not only are the dangerous and unnecessary, all options have not even been considered or investigated correctly. Transpower cannot be allowed to devastate the country for the benefit of no-one.

Please use more pages if you need to

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

I seek that the board turn down transpower's applications completely and as a whole.

And that other options are fully investigated to avoid the line being built under any circumstances.

Please use more pages if you need to.

Use a clear tick in the appropriate box below (✓)

I/we wish to be heard in support of my/our submission (to speak at the public hearing).

I/we DO NOT wish to be heard and hereby make my/our submission in writing only.

Signature(s):
