CLOSING DATE FOR SUBMISSIONS: 5 OCTOBER 2007

My/Our Full Name(s): BRYAN GARTH GREY

Postal Address: 130 highfield Road RD2 Putaruru

Wk Ph: _____ Hm Ph: 018838428 Cell: _____

Wk Fax: _____ Hm Fax: " Email: bryan.judy.grey@tra.co.nz

The reason for my submission is:

I oppose this line being built on a 65 metre wide easement when a 600 metre wide easement, free of houses & workplaces should be required as a precautionary principle to reduce future health risks and environmental impacts.

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

That the application for Notices of Requirement and Resource Consents should be turned down completely, and Transpower directed to investigate generation, conservation and transmission alternatives that will avoid this line being built under any circumstances.

I explicitly **do not** want the Board of Inquiry to approve the applications subject to conditions – I want the applications turned down in whole.

I/we wish to be heard in support of my/our submission at the public hearing, and expect I will need between one and two hours to present my evidence. I would like the location of the portion of the hearing which will receive my evidence to be held in a local venue near to where I live. ✓

I/we make my/our submission concerning all notices of requirements and applications for resource consents relating Transpower's applications that will be heard by this Board of Inquiry. The references are NORs 27619, L07089, DES0011/07, RMR200621, DN/0006/07, 240/021, RM070209, and resource consents 34102, 34370, 34372, 34373, 34711, 34712, 116902, 116903, 116904, 116905, and any other NORs or resource consent applications that may subsequently be filed or altered. We oppose all of these NORs and applications for resource consent. ✓

I/we have served a copy of my/our submission on the applicant by copy to Transpower as above. ✓
