Please note: you must forward a copy of this submission to BOTH Ministry for the Environment AND Transpower, by any means you wish (post, fax, email)

This submission relates to the notices of requirement and/or applications for resource consent, lodged by Transpower New Zealand Ltd for the North Island Grid Upgrade Project, and identified below.

CLOSING DATE FOR SUBMISSIONS: 5 OCTOBER 2007

My/Our Full Name(s): Abigail & Roger MY Khoo

Postal Address: PO Box 82-304 Highland Park Auckland

Wk Ph: Hm Ph: 09-530-8638 Cell: 021-402694

Wk Fax: Hm Fax: Email: arej@xtra.co.nz

The reasons for my submission are:

Given that Brookby is so close to the future sub-division and will become urban in the not too distant future, any pylon and transmission Cables will have a huge impact on the area.

The underground cables should be extended to cover this area.

Also there is evidence to suggest health effect on human and animals in close proximity.

The proposal is contrary to Plan Change 8 (Whitford Plan) and the visual amenity value

The transmission lines will have a huge visual impact to our property as currently we can overlook the Brookby Valley

It will also reduce the value of our property and we feel that we should not be the ones penalised. The cost of doing the underground should be shared with all users of power by increasing the power charges and shared equally.

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

I/we **wish to be heard** in support of my/our submission at the public hearing. (Remove tick if you do not wish to make a verbal submission at the public hearing)
