Please tick the relevant boxes on the next page to identify whether you are making a submission on all notices of requirement and applications for resource consents or just some of them (please identify).

Please also indicate on the back of this form (✓) whether you support, oppose, or are neutral in relation to the notice(s) of requirement and applications for resource consents. If you are making a submission only on parts of a notice of requirement or application for resource consents, please note this when specifying the reasons for your submission.

The reasons for my/our submission are:

see attachment

If you are attaching further information tick (✓) for yes

Please use more pages if you need to.

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

Refuse the notice of requirement; or

Put the lines underground; or

Alter the route to avoid the Lyons property at Lyons Road, Mangatawhiri

Please use more pages if you need to.

Use a clear tick in the appropriate box below (✓)

I/we wish to be heard in support of my/our submission (to speak at the public hearing).

I/we DO NOT wish to be heard and hereby make my/our submission in writing only.

Signature(s):

Rebecca Macky

Date: 2 October 2007

on behalf of submitter

(Signature of submitter, or person authorised to sign on their behalf is required. Note signature is not required for electronic (email) submissions. If this is a joint submission by two or more individuals, each individual's signature is required.)

Ministry of Environment
Resource Management

NOTE: A copy of this submission form must be sent as soon as possible at:

North Island Grid Upgrade Project, Transpower Freepost 182915, PO Box 1021, Wellington
or email submissions@transpower.co.nz or fax 04 819 7624.

I/we make my/our submission concerning all notices of requirements and applications for resource consents below.

Reasons for submission

1. The proposal does not achieve the purpose of the Act and does not promote the sustainable management of natural and physical resources.
2. The proposal is contrary to section 6(a), (b), (c), (e) and (f) and section 7(b), (c), (f) and (g) of the Act.
3. The proposal is contrary to the provisions, including the objectives and policies of the relevant statutory plans at national, regional and local level.
4. Inadequate consideration has been given to alternative sites, routes and methods.
5. The proposal will have a significant adverse effects on the environment.
6. The proposal is not reasonably necessary to achieve the objectives of the requiring authority for which the designation is sought.
7. In planning this work, no consideration has been given to the effects of the proposal on the properties across which it is proposed to place the pylons and lines.
8. Inadequate consideration has been given to potential health effects.
9. The requiring authority has not acted on the precautionary principle.
