The reasons for my submission are:

We are concerned about the visual impacts the upgraded pylons will have on the Clevedon and Brookby areas. This area is becoming increasingly popular and has a unique rural character which will be severely impacted by the larger pylons.

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

I/we wish to be heard in support of my/our submission at the public hearing. (Remove tick if you do not wish to make a verbal submission at the public hearing)

I/we make my/our submission concerning all notices of requirements and applications for resource consents relating Transpower's applications that will be heard by this Board of Inquiry. The references are NORs 27619, L07089, DES0011/07, RMR200621, DN/0006/07, 240/021, RM070209, and resource consents 34102, 34370, 34372, 34373, 34711, 34712, 116902, 116903, 116904, 116905, and any other NORs or resource consent applications that may subsequently be filed or altered. We oppose all of these NORs and applications for resource consent.
