The reasons for my/our submission are: If you are attaching further information tick for yes
We have pylons / powerline-poles on our farms. The government says, user-pays, so why not pay the farmer for the use of their land.

Please use more pages if you need to.

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):
That farmowners get paid an annual compensation for having pylons / power lines on their land. Overseas that is the trend. Here the landowner gets paid if one of those "mobile phone towers" is on their land.

Please use more pages if you need to.

Use a clear tick in the appropriate box below (✓)

I/we wish to be heard in support of my/our submission (to speak at the public hearing).

I/we DO NOT wish to be heard and hereby make my/our submission in writing only.
