**CLOSING DATE FOR SUBMISSIONS: 5 OCTOBER 2007**

Wk Ph: 09-530 8868 Hm Ph: Cell:

Wk Fax: Hm Fax: Email:

The reasons for our submission are:

Our concern for the health & safety of our children & ourselves.

The ugliness of massive pylons across the countryside where we & many others subside.

The access which is required onto people's properties & the restriction this places on the use of their land.

The huge disappointment that there is an alternative - underground power which we feel should be the answer.

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

That underground power be the answer.

I/we **wish to be heard** in support of my/our submission at the public hearing. (Remove tick if you do not wish to make a verbal submission at the public hearing)

I/we make my/our submission concerning **all** notices of requirements and applications for resource consents relating Transpower's applications that will be heard by this Board of Inquiry. The references are NORs 27619, L07089, DES0011/07, RMR200621, DN/0006/07, 240/021, RM070209, and resource consents 34102, 34370, 34372, 34373, 34711, 34712, 116902, 116903, 116904, 116905, and any other NORs or resource consent applications that may subsequently be filed or altered. We oppose all of these NORs and applications for resource consent.
