The reasons for my submission are:

I live at BROOKBY near where the lines are proposed to go...I believe it advisable to have the power UNDER GROUND in this farming area as do most persons out here.

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

I/we **wish to be heard** in support of my/our submission at the public hearing, and expect I will need between one and two hours to present my evidence. I would like the location of the portion of the hearing which will receive my evidence to be held in a local venue near to where I live.

I/we make my/our submission concerning all notices of requirements and applications for resource consents relating Transpower's applications that will be heard by this Board of Inquiry. The references are NORs 27619, L07089, DES0011/07, RMR200621, DN/0006/07, 240/021, RM070209, and resource consents 34102, 34370, 34372, 34373, 34711, 34712, 116902, 116903, 116904, 116905, and any other NORs or resource consent applications that may subsequently be filed or altered. We oppose all of these NORs and applications for resource consent. ✓

I/we have served a copy of my/our submission on the applicant by copy to Transpower as above. ✓
