Submission on proposal for national policy statement for renewable electricity generation

In accordance with section 49 of the Resource Management Act 1991

To the Chairperson Board of Inquiry

This is a submission on the (following) proposed national policy statement for renewable electricity generation (the proposal) that was publicly notified on 6 September 2008.

The specific provisions of the proposal that my submission relates to are:

[give details] The objection to the installation of wind turbines in Turitea Reserve.

My submission is:

[include -

- whether you support or oppose the specific provisions or wish to have them amended; and
• the reasons for your views].

- In the first instance the adverse visual effect on the landscape as a whole.
- The disturbance to our unique water supply.
- The adverse impact on fauna and plantlife.
- The adverse impact on native birdlife.
- The guaranteed loss of native birdlife.

Furthermore I would not like to see the skyline of the Taranaki ranges spoiled specifically looking East from the City's Fitzherbert Avenue.

I seek the following changes to the proposal:
[give precise details].

I wish (or do not wish) to be heard in support of my submission.

- * If others make a similar submission, I will consider presenting a joint case with them at a hearing.
- * Delete if you would not consider presenting a joint case.
