Please tick the relevant boxes on the next page to identify whether you are making a submission on all applications for resource consent and notices of requirement or just some of them (please identify).

Please also indicate on the back of this form (✓) whether you support, oppose, or are neutral in relation to the applications. If you are making a submission only on parts of an application for resource consent or notice of requirement, please note this when specifying the reasons for your submission.

The reasons for my/our submission are: If you are attaching further information tick for yes

I am a person who has an interest in the proceedings that is greater than the public generally in that my home is less than 3 km from the proposed turbines and is in a direct line of sight with the ranges proposed to be part of the windfarm

We seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

Decline construction of turbines 75, 76, 77, 78, 79, 80, 81, 82, 83, 129, 130, 131, 132, 133 whose noise envelope and landscape amenity seriously encroach the living conditions of residents of Turitea rd and Valley Views.

I/we support , oppose , are neutral concerning named aspects of activities associated with construction, operation and maintenance of the Turitea windfarm.

I/we wish to be heard in support of my/our submission (to speak at the public hearing).
I/we DO NOT wish to be heard and hereby make my/our submission in writing only.
