Work Fax: 350 5646 Home Fax: - Email: m.m.jenkin@massey.ac.nz

RECEIVED  
 23 FEB 2009

Please tick the relevant boxes on the next page to identify whether you are making a submission on a application for resource consent or if some of them (please identify).

Please also tick on the back of this form if you object, oppose, or are neutral in relation to the applications. If you are making a submission on a job part of an application for resource consent, please note this when specifying the parts of the application.

The reasons for my/our submission are: If you are attaching further information tick for yes

I and my husband + two children live in the Turitea Valley. My new home is within one to two kilometres of the proposed "Bryant Hill" wind turbines. I am extremely disturbed to imagine living underneath these machines. My concerns are my family's health, I believe the vibrations from the turbines cause headaches, this was not what it was expecting when building a house in the beautiful Turitea Valley. My view will be destroyed, and my house will be devalued.

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

I would like the following proposed wind turbines on Bryant Hill removed, i.e. 0071 - 0092 as shown in your Turitea Valley windfarm layout.

Please use more pages if you need to.

Use a clear tick in the appropriate box below (✓)

I/we wish to be heard in respect of my/our submission (to speak at the public hearing).

I/we DO NOT wish to be heard and hereby make my/our submission in writing only.

Signature(s): Mary Jenkin Date: 20/2/09

(Signature of submitter, or person authorised to sign on their behalf is required. Note signature is not required for electronic (email) submissions. If this is a joint submission by two or more individuals, each individual's signature is required.)

Use the tick boxes below to indicate the called-in applications for resource consent that your submission concerns. Use a clear tick in the appropriate box or boxes (✓).

I/we make my/our submission concerning all applications for resource consent below

OR

My/our submission only concerns the applications for resource consent that I/we have ticked below:

	Support	Oppose	Neutral
<b>104553:</b> for vegetation clearance and land disturbance in rare or threatened habitats, near streams and on highly erodible land throughout the general wind farm site.			
<b>104554:</b> for the construction of a double culvert in an un-named tributary of the Kahuterawa Stream as shown on the included map.			
<b>104555:</b> for the discharge of dust to air from the concrete batching plants to be located as generally shown on the included map.			
<b>104556:</b> for the discharge of dust to air from the mobile crushing plant throughout the general wind farm site.			
<b>104557:</b> for the discharge of wastewater from two operations and maintenance facilities to land to be located as generally shown on the included map.			
<b>104558:</b> for the discharge of stormwater from substations to land to be located as generally shown on the included map.			
<b>104559:</b> for the discharge of cleanfill to land in the form of spoil disposal sites throughout the general wind farm site.			
<b>104560:</b> for the discharge of stormwater from roads, turbine platforms and other areas to land.			
<b>RC0068:</b>			
<ul style="list-style-type: none"> <li>to establish and operate a wind farm in the areas within the Palmerston North city jurisdiction as generally shown on the included map</li> <li>to undertake earthworks associated with tracking and roading, turbine construction and associated buildings in the areas within the Palmerston North city jurisdiction as generally shown on the included map</li> <li>for the western side of Pahiatua Aokaulere Road not meeting access requirements at the location shown on the included map</li> <li>for the storage of diesel (10,000 L) in bunded areas outside the Turitea water supply catchment, generally located at the two substation laydown areas shown on the included map, that exceeds the 0.2 effects ratio maximum in the rural zone</li> <li>for the construction of a 220 kV electricity transmission line and substations as shown on the included map.</li> </ul>			
<b>1448:</b>			
<ul style="list-style-type: none"> <li>for a wind farm (which is not listed as a permitted or controlled activity) in the areas within the Tararua District as generally shown on the included map</li> <li>for land disturbance of more than 200 m<sup>2</sup> of soil and cleanfill material associated with tracking and roading, turbine construction, spoil disposal and other associated works in the areas within the Tararua District as generally shown on the included map</li> <li>for upgrades to South Range Road and the construction of new site access at the location shown on the included map</li> <li>for turbine and wind monitoring mast structures not meeting height requirements within the Tararua District</li> <li>for the modification of a Significant Natural Feature in Schedule 3.3 (ie, Tararua Ranges Ridgeline)</li> <li>for not meeting noise requirements</li> <li>for clearance of indigenous vegetation in the areas within the Tararua District as generally shown on the included map.</li> </ul>
