**New Zealand Government**

To communicate my appreciation of the present wind farm site & the management also the effect aesthetically, also the effect you our children have enjoyed to view and hug the windmills.

The fact that our district gains and I do; as my rates would be higher if it relied on no further progress from Horizons efforts. Forseeing, intelligent elected Board Members.

I have lived at this address for many years.

My only complaint is, regarding the tall cross off impeding my view of the

windmills!!

The unintended trees  
grow to shade others  
properties + my view  
hulk, + 80 foot trees  
had to accept in  
built up areas.

I am 82 years old  
+ wish to continue to  
continue to see Manawatu  
progress

Sincerely yours  
Maion E Dewey.
