The reasons for my/our submission are: If you are attaching further information tick for yes

I have been visiting from the USA for the last month; staying with my daughter + her husband who live on Turitea Rd. I am very impressed by the great natural beauty of the area + find it hard to believe that anyone would consider spoiling this asset + tourist attraction with structures reminiscent of the alien invaders in "War of the Worlds". No one should be forced to look at such eyesores from their own property + home.

Please use more pages if you need to.

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

Do not grant consent for wind turbines in the Turitea reserve or in close proximity (± 3 km) to people's homes.

Please use more pages if you need to.

Use a clear tick in the appropriate box below (✓)

I/we wish to be heard in respect of my/our submission (to speak at the public hearing).

I/we DO NOT wish to be heard and hereby make my/our submission in writing only.
