Mr (Mrs) Miss Ms (Please circle the appropriate title(s) or print clearly below)

Full Name(s): DENISE LORRAINE STEPHENS
Address: 378 MILLRICK LINE RD4 PALMERSTON NORTH
063504649 Home Ph: 063258553 Cell:
Home Fax: Email: bachilleclear.net.nz

Tick the relevant boxes on the next page to identify whether you are making a submission on all applications for consent or just some of them (please identify).
Also indicate on the back of this form (✓) whether you support, oppose, or are neutral in relation to the applications. Making a submission only on parts of an application for resource consent, please note this when specifying the scope of your submission.

Reasons for my/our submission are:
If you are attaching further information tick for yes
Manawatu hills have already been destroyed by turbines and associated earthquakes etc. It is imperative that we protect what remaining skyline reserve land is left. Turbines should be restricted and north of the Pahiatua track which have already been destroyed.

State the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):
Consent for any more wind turbines on Manawatu hills be denied. Consent for turbines on reserves be denied including all earthquakes and associated activities.

Do you wish to be heard in respect of my/our submission (to speak at the public hearing)?
Do you wish to be heard and hereby make my/our submission in writing only?
Signature: D Stephens Date: 8-02-09

Signature of a partner, or person authorised to sign on their behalf is required. Note signature is not required for electronic (email) submissions. Submission by two or more individuals, each individual's signature is required.

Tick boxes below to indicate the called-in applications for resource consent that your submission concerns.
 Tick in the appropriate box or boxes (✓).

Does my/our submission concerning all applications for resource consent below

Does my submission only concern the applications for resource consent that I/we have ticked below:

Support Oppose Neutral

-Wanganui (Horizons) Regional Council – Land-use Consents

Request for vegetation clearance and land disturbance in rare or threatened habitats, near streams and on highly erodible land throughout the general wind farm site.		✓	
Request for the construction of a double culvert in an un-named tributary of the Kahuterawa Stream as shown on the included map.		✓	

-Wanganui (Horizons) Regional Council – Discharge Permits

Request for the discharge of dust to air from the concrete batching plants to be located as generally shown on the included map.		✓	
Request for the discharge of dust to air from the mobile crushing plant throughout the general wind farm site.		✓	
Request for the discharge of wastewater from two operations and maintenance facilities to land to be located as shown on the included map.		✓
