Please tick the relevant boxes on the next page to identify whether you are making a submission on all applications for resource consent or just some of them (please identify).
Please also indicate on the back of this form (✓) whether you support, oppose, or are neutral in relation to the applications. If you are making a submission only on parts of an application for resource consent, please note this when specifying the reasons for your submission.

The reasons for my/our submission are: If you are attaching further information tick for yes

The natural unspoilt view of the hills is VERY IMPORTANT to me. We live just over 1 km from the nearest ^{proposed} windmills + they will be in view from our kitchen, dining, living, family rm + our bedroom! They are too big, too close + may well be too noisy as well as visually disturbing!! Please use more pages if you need to.

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

- ① to have the area in view from our house windows removed!
 - ② to make sure trucks on Kahuterawa Road don't put over family + friends who bike to + from town at risk! (cylinders installed)
 - ③ Guarantee against noise, dust + disturbance, at our ^{impartial} nearby houses, with some kind of review after/if the windfarm transpires.
- Please use more pages if you need to. Use a clear tick in the appropriate box below (✓)

I/we wish to be heard in respect of my/our submission (to speak at the public hearing).

I/we DO NOT wish to be heard and hereby make my/our submission in writing only.
