Please tick the relevant boxes on the next page to identify whether you are making a submission on all applications for resource consent or just some of them (please identify).
 Please also indicate on the back of this form (✓) whether you support, oppose, or are neutral in relation to the application. If you are making a submission only on parts of an application for resource consent, please note this when specifying the reasons for your submission.

The reasons for my/our submission are: If you are attaching further information tick for yes
 ① Concern about what happens after the windfarm has reached its lifespan.
 ② Concern about noise & vibration levels near dwellings and bird sanctuaries.
Please use more pages if you need to.

I/we seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):
 ① To have a legally binding clause in the consent that when the wind turbines are no longer used that they are removed expeditiously.
 ② To have a minimum "proven safe" distance from dwellings and bird sanctuaries so that vibration & Db levels are acceptable.
Please use more pages if you need to.

Use a clear tick in the appropriate box below (✓)

I/we wish to be heard in respect of my/our submission (to speak at the public hearing).

I/we DO NOT wish to be heard and hereby make my/our submission in writing only.
