I live in Oram Drive with my house facing the proposed Hills to have turbines built on. At present our views are that of uninterrupted beauty, peacefulness. We are frequented by native birds of many varieties - it is rare to find such an idyllic spot so close to town - a site I am very opposed to having saturated with noise & eyesore turbines which will very much effect my life and that of alternative species in the area.

We seek the following decision from the Board of Inquiry (provide precise details including the nature of any conditions sought):

I wish the Turitea Wind farm project to be cancelled in its entirety.

Please use more pages if you need to.

Use a clear tick in the appropriate box below (✓)

I/we wish to be heard in respect of my/our submission (to speak at the public hearing).  Represented by TAG

I/we DO NOT wish to be heard and hereby make my/our submission in writing only.
