**Submission on Mighty River Power Ltd**

**Turitea Call In**

My details:

**Paul Vandenberg  
7 Apollo Parade  
Palmerston North 4414  
Home: 06 353 7640  
Mob: 0275 349434**

**I would like to oppose all parts of the application due the lack of information of the possible damage to the environment.**

**The board needs to stop the wind farm being built in the Turitea reserve**

**My main reason being that no wind farm should be built at the cost of rare and endangered habitats as I feel this makes a mockery of sustainability if you are to risk this rare and endangered habitat**

**No I do not wish to speak to the board but wish my points heard**

**Yours truly,**

**Paul Vandenberg**
