

Iwi Management Plans

IWI/HAPU ORGANISATION	PLAN TITLE	ROHE OF PLAN	RESOURCES incl WATER?	RECOGNISED BY IWI AUTHORITY	FORMALLY LODGED	LINKS TO PLAN
	Te Wai Pounamu					
Kai Tahu Ki Otago	Kai Tahu Ki Otago Natural Resource Management Plan 2005	Otago region	Natural resources including waahi tapu, cultural landscapes, pounamu, wai maori, mahika kai, biodiversity.	Te Runanga o Ngai Tahu	Yes	Chris Rosenbrock (03) 477 0071
Ngai Tahu	Te Runanga o Ngai Tahu Freshwater Policy Statement	Ngai Tahu takiwa	Ngai Tahu freshwater policies (priority issues, goals and objectives). Describes associations with freshwater resources how Ngai Tahu want to participate in freshwater management.	Te Runanga o Ngai Tahu	not known	David O'Connell, (03) 371 26 92, email: david.oconnell@ngaitahu.iwi.nz; On Ngai Tahu website
Ngai Tahu	Te Whakatau Kaupapa O Murihiku - Ngai Tahu Resource Management Strategy for the Southland Region	Southland Region including Rakiura (Stewart Island) and the Titi islands	Natural resources, forests, mining, marae, fishing rights, mahaka kai.	Te Runanga o Ngai Tahu	yes	Michael Skerrett, Te Ao Marama, (03) 214 1537.
Ngāi Tahu ki Murihiku	Te Tangi a Tauira Ngāi Tahu ki Murihiku Natural Resource and Environment Management Plan 2008	Southland Region including Rakiura (Stewart Island) and the Titi islands	Replaces above plan with kaitiakitanga policies for climate change, air, land, water, pest management, customary use and other management issues. Water policies by catchment. Also sections for coastal environments and off-shore islands.	Te Runanga o Ngai Tahu	yes	Michael Skerrett, Te Ao Marama, (03) 214 1537.
Ngai Tahu	State of the Takiwa - Cultural Monitoring and Reporting on the Health of our Environment	Ngai Tahu takiwa	Culturally based environmental monitoring and reporting that integrates Matauranga Maori and Western Science to establish a baseline for policy and improvement of environmental health. To complement conventional state of the environment reporting.	Te Runanga o Ngai Tahu	not known	Craig Pauling: craig.pauling@ngaitahu.iwi.nz
Ngai Tahu	Te Taumutu Runanga Natural Resource Management Plan	From Selwyn District south to the Hakatere/Ashburton River, and includes the Te Waihora catchment.	Natural resources including atmosphere and air, Canterbury Plains, mountains and foothill regions, Te Waihora and tributaries, coastal and marine environment.	Te Runanga o Ngai Tahu	not known	Natural Resources Committee, email taumutu@ngaitahu.iwi.nz, phone (03) 371 2660.
Ngai Tahu	Te Whakatau Kaupapa: Ngai Tahu Resource Management Strategy for the Canterbury Region 1990	Canterbury region extending to the Waitaki Valley, Omarama, Banks Peninsula and North Canterbury.	An early resource management plan for incorporating into Town and Planning Schemes, maps of sites identified with the Historic Places Trust. Natural and cultural resources including fishing rights, water values, spiritual values, wai mataitai, mahinga kai and nga wahi taonga.	Te Runanga o Ngai Tahu	No	David O'Connell, (03) 371 26 92, email: david.oconnell@ngaitahu.iwi.nz
Ngai Tahu	Te Runanga o Ngai Tahu Pounamu Resource Management Plan	Ngai Tahu rohe except the Arahura River catchment	Pounamu. Ngai Tahu's blueprint for the sustainable management of pounamu. The Ngai Tahu (Pounamu Vesting) Act 1997. It informs all stakeholders of how Ngai Tahu and its subtribal councils will undertake this management.	Te Runanga o Ngai Tahu	not known	Ngai Tahu Pounamu Management Officer, (03) 366 4344, email pounamu@ngaitahu.iwi.nz.
Ngai Tahu	Mahere Tukutahi o Te Waihora - Te Waihora Joint Management Plan (Dec 2005)	Te Waihora and catchment	This is a statutory Joint Management Plan between Te Rūnanga and the Minister Conservation arising from the Ngāi Tahu Claims Settlement Act, 1998. Covers the integrated management of natural and historic resources for mahinga kai and conservation purposes and is to restore Te Waihora as a tribal food resource.	Te Runanga o Ngai Tahu	not known	David O'Connell, (03) 371 26 92, email: david.oconnell@ngaitahu.iwi.nz
Ngai Tahu	Strategy and Action Plan for Establishing Mahinga Kai Cultural Parks (forthcoming)	Ngai Tahu takiwa	Policy for natural areas owned or managed by Ngai Tahu for the purposes of Mahinga Kai	Te Runanga o Ngai Tahu	No	David O'Connell, (03) 371 26 92, email: david.oconnell@ngaitahu.iwi.nz
Ngai Tahu	Interim Guidelines for the Initial Notification and Contact between the Department of Conservation and Ngāi Tahu over Beached Marine Mammals	Ngai Tahu takiwa	Marine mammals	not known	No	Craig Pauling: craig.pauling@ngaitahu.iwi.nz
Te Rūnanga o Kaikoura - Ngāti Kuri	Te Poha o Raumati: Te Runanga o Kaikaoura Environment Management Plan	catchments of Awatere, Waiau-toa, Kaikoura & Okarahia ki te Hurunui	All resource management issues for Kaikoura area organised by catchment	Te Runanga o Ngai Tahu	Yes	Raewyn Solomon email: takahanga.marae@clear.net.nz
Ngai Tahu	Makaawhio Natural Resource Management Plan (draft mid 2005)	South Westland north to Hokitika River	As in the Taumutu plan, a Mountains to the Sea natural resource management approach	Not known	not known	David O'Connell, (03) 371 26 92, email: david.oconnell@ngaitahu.iwi.nz
	Te Tau Ihu o Te Waka					
Ngati Apa ki te Waipounamu	Ngati Apa ki te Waipounamu Environmental Management Plan	Marlborough Sounds	Natural resources including impacts on ecosystems, impact of subdivisions on natural characteristics, groundwater quality, air and the coastal marine area.	Ngati Apa ki te Waipounamu?	not known	Ngati Apa ki te Waipounamu Trust, Laurie Duckworth or Kath Hemi, Omaka Marae, Blenheim, phone (03) 578 9695.
Ngati Rarua, Te Runanga o Toa Rangatira, Te Atiawa Manawhenua Ki Te Tau Ihu, Ngati Koata No Rangitoto Ki Te Tonga, Ngati Tama Manawhenua Ki Te Tau Ihu.	Nga Taonga Tuku Iho Ki Whakatu Management Plan	Whakatu (Nelson)	Whenua, wai, awa, ngahere, kaimoana, rongoa, te reo.	Ngati Rarua Iwi Trust, Te Runanga o Toa Rangatira, Te Atiawa Manawhenua Ki te Tau Ihu Trust, Ngati Koata No Rangitoto Ki Te Tonga Trust, Ngati Tama Manawhenua Ki Te Tau Ihu Trust.	not known	Environmental Manager, Tiakina te Taiao Ltd, P.O Box 1666, Nelson, 03 546 7842, ann@tiakina.co.nz
Ngati Koata	Ngati Koata No Rangitoto Ki Te Tonga Trust Iwi Management Plan	Mainly Marlborough District but Ngati Koata interests Te Tau Ihu generally.	Tikanga and history, issues, objectives, policies and methods for cultural heritage, coastal water, freshwater, flora and fauna, land and air quality.	Ngati Koata No Rangitoto Ki Te Tonga Trust?	Yes	Karl Elkington, Ngati Koata Trust, P.O Box 63, Nelson. Ph (03) 573 88 93.
Te Atiawa Manawhenua Ki Te Tau Ihu	Te Atiawa Manawhenua Ki te Tau Ihu Environmental Management Plan	Totoranui (Queen Charlotte Sound) in the east to Mohua (Golden Bay) in the west.	Natural resource issues including kaitiakitanga, waahi tapu, mahinga kai, wai, tangaroa, whenua, air.	Te Atiawa Manawhenua Ki Te Tau Ihu Trust	No (at Dec05)	Glenys Paine, P.O. Box 340, Picton. (03) 573 5170
Ngati Toa ki Wairau	Ngati Toa ki Wairau Environmental Management Plan	Wairau/Marlborough region	Natural resources including ecosystems, the CMA, air and land. Case study for Maori Island.	Ngati Toa ki Wairau Iwi Trust	No (at Dec05)	Ngati Toa ki Wairau Iwi Trust, Ms Lorraine Eade, (03) 577 6168.
Ngati Rarua ki Wairau	Ngati Rarua ki Wairau Environmental Management Plan	Wairau/Marlborough region and particular areas of significance to Ngati Rarua.	Natural resources including water ecosystems, air, coastal marine environment and land.	Ngati Rarua ki Wairau Iwi Trust	No (at Dec05)	Ngati Rarua ki Wairau Iwi Trust, Mr Andrew Wilkes, 73 Vickerman St, Grovetown or Rayma Lee Katu, P.O Box 1026, Blenheim Ph (03) 577 8468.
	Greater Wellington RC

Te Whanau A Hunaara - Horoera		Horoera	Customary fisheries section complete (1998). Land based environmental management plan to come?	Not known	Not known	CEO of Te Runanga-a-Ngati Porou
Te Whanau A Tarahauti		Rangiata, East Cape	Not known	Te Runanga o Ngati Porou	Not known	CEO of Te Runanga-a-Ngati Porou
Te Whanau A Takimoana, Ngai Tane - Rangitukia		Rangitukia	Not known	Not known	Not known	CEO of Te Runanga-a-Ngati Porou
Te Whanau A Karuai		Taurawharon Station, Rangitukia	Not known	Te Runanga o Ngati Porou	Not known	CEO of Te Runanga-a-Ngati Porou
Ngati Putaanga		Tikitiki	Not known	Not known	Not known	CEO of Te Runanga-a-Ngati Porou
Te Whanau A Uruahi		Whakawhitira, Tikitiki	Not known	Not known	Not known	CEO of Te Runanga-a-Ngati Porou
Te Whanau Ki Rotokautuku		Ruatoria	Not known	Not known	Not known	CEO of Te Runanga-a-Ngati Porou
Ngati Porou - Ngati Rangī		Reporua	1998 Draft needing engineering and technical advice on feasibility of coastal protection works. Planting programmes around Reporua Marae.	Not known	Not known	CEO of Te Runanga-a-Ngati Porou
Te Whanau a Te Aotawarirangi/ Tawhiti Trust		Waima, Tokomaru Bay	Hapu management plan for land and sea completed and implemented.	Not known	Not known	CEO of Te Runanga-a-Ngati Porou
Te Aitanga a Mahaki	Environmental Inventory and freshwater policy statement 2006	see report, associated with Waipaoa catchment	inventory of sites using GIS and mapping tools, links to district plan and includes lakes, wetlands, rivers. Freshwater policy covers Waiapoa catchment, restoring river and wetland ecosystems, and developing native freshwater fisheries	Te Aitanga a Mahaki	Yes	Ian Ruru, ianruru@xtra.co.nz - see www.mahaki.com
Environment Waikato						

Iwi Management Plans

IWI/HAPU ORGANISATION	PLAN TITLE	ROHE OF PLAN	RESOURCES incl WATER?	RECOGNISED BY IWI AUTHORITY	FORMALLY LODGED	LINKS TO PLAN
Waikato Tainui	Waikato Iwi Cultural Management Plan (Waikato River) (Interim document)	Waikato River	By Huakina Development Trust for Watercare Services Ltd regarding proposed extraction of water from Waikato River for piping to Auckland. To guide Watercare Services regarding Tainui kaitiaki responsibilities for wise use and management of Waikato River.	Tainui Maori Trust Board	Not known	Huakina Dev Trust Pukekohe, 09 238 0250, admin@huakina.co.nz
Waikato Tainui	Waikato Iwi Management Plan (1996)	Tainui rohe	Provides a description of relationships Tainui have with water and role they wish to play. Specific freshwater sections include a large number of policies and methods for implementation, focused on water quality, avoiding contamination, prohibiting physical modification of water bodies, use of rahui, consultation and participation on all consents for subdivisions, water extraction, reclamations, dredging and maintenance of stream environments.	Waikato Raupatu Trustee Co Ltd	Not known	Waikato Raupatu Trustee Co Ltd (07) 824 8689
Tuwharetoa	Ngati Tuwharetoa Environmental Management Plan 2003	Taupo catchment	Provides Goals, Issues, Policies and Methods of Implementation. Kaitiakitanga and Partnership provide the approach in latter sections on the specific resources. Methods of implementation focus on resource consent processes (monitoring and reviewing conditions on consents, making submissions, appointments to hearing committees) and tools to support governance, participation, representation, education and communication. The Taonga (resources) sections include water with an emphasis on Lake Taupo and springs. Proposes establishing a resource management unit, developing environmental performance indicators, section 33 transfers, receipt of monitoring information regarding hydro projects, restoration and conservation work. The appendices include diagrams for responsibilities and relationships including water quality and cultural values	Tuwharetoa Maori Trust Board	Yes	Kim Turia, at Tuwharetoa Trust Board.
Maniapoto Māori Trust Board	He Mahere Taiao 2007 -see website	Report includes map	Sets out four key principles: Kaitiakitanga, Rangatiratanga, Kotahitanga, and Tumanako. The broad objectives are: Participation in decision-making, communication and education, and effective relationships. Goals, targets and indicators to achieve the objectives are listed. For freshwater the goals, targets and indicators focus on protection and enhancement. Tools to achieve these are: implementation of the CHI monitoring, TA projects to prevent water pollution, Treaty partnerships, collaboration and relationships. The plan includes resource inventory and maps of sensitive areas including water bodies. Latter sections identify local management issues identifying water and habitat quality as key concerns.	Maniapoto Maori Trust Board	Not known	Janise Eketone at Maniapoto Trust board
Raukawa Trust Board	Mana Whenua Mana Tangata o Raukawa e paa ana ki nga taonga i roto i te Rohe o Raukawa	Te Wairere in north to Tarukenga in east, to Karangahape Taupo in south, to Tuhingamata - Te Awamutu in west	input into Waikato Regional Plan	Not known	Yes	Stephanie O'Sullivan at Raukawa Trust Board
Hauraki	Whaia te Mahere Taiao a Hauraki	From the reefs offshore of Waihi Beach on eastern coast, west to Mount Te Aroha, north along line of Te Hapu a Kohe and the Hunua Ranges to Papakura. North boundary includes parts of Tamaki Isthmus terminating at Matakana River estuary south of Cape Rodney.	Key natural and cultural resource, and geographical issues of concern to Hauraki Whanui with objectives and outcomes and action plans. Issues grouped according to Atua domains.	Not known	Not known	Liane Ngamane Ph: 07 862 7521 Email: liane@haurakimaori.co.nz
Environment Bay of Plenty						
Pirirakau hapu	Nga Taonga Tuku Iho: Pirirakau Hapu Environmental Management Plan (2004)	Western Bay of Plenty north of Tauranga city. Rohe contained by Wairoa and Waipapa Rivers, the Tauranga Harbour and the Kaimai Ranges.	Natural resources including brief freshwater section with some methods for working with councils - monitoring water quality, and educating landowners.	Ngati Ranginui Iwi Society?	Yes - lodged with council as submission.	Chairman, Pirirakau Incorporated Society, 3 Lochhead Road, RD 6, Tauranga.
Ngati Pikiāo Whanui	Te Runanga o Ngati Pikiāo Iwi Resource Management Strategy Plan	Not specified	Submission to a proposed Regional Land Management Plan addresses matters of significance to iwi. Does not have specific policies but includes desired consultation	Te Runanga o Ngati Pikiāo	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	Hakopa Paul Ph: 027 292 3307 Email: Hakopa@ateamaioha.co.nz
Ngati Pikiāo	Ngati Pikiāo Iwi Management Plan		Management of Lake Rotoiti and surrounds	Not known	No	Hakopa Paul Ph: 027 292 3307 Email: Hakopa@ateamaioha.co.nz
Ngā Pōtiki	Ngapotiki Environmental Management Plan, Stage 1, version 1.	Tauranga area	Strategy for hapu to be proactive in planning process with Tauranga DC. Includes: monitoring; review; kaitiakitanga; consultation; rohe; ancestral landscape; history and traditions; RMA; environmental effects; ecological areas; heritage; areas of significant cultural value; current heritage issues; tasks; & district plan changes sought. The purpose and scope - establish hapu environmental goals and objectives for managing impacts of growth on Ngapotiki; - to develop a database for future planning - to support kaitiaki role of hapū members to participate in decision making under RMA. States preference of Ngapotiki hapū to speak for themselves rather than rely on Ngaiterangi and Ngati Pukenga iwi spokespersons.	Not known	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	At Te Runanga Ngai Te Rangī, Demetrius Samuels Ph: 07 575 3765 Email: demetrius@ngaiterangi.org.nz
Nga Hapu o Whakatohea	Tawharau o Nga Hapu o Whakatohea - Whakatohea Resource Management Plan	Bay of Plenty region: from Pakihi to Ohiwa Harbour near Ohope, and inland to Matawai and beyond. Very extensive description of rohe provided on Te Kahui Mangai website.	A plan incorporating issues, policies and goals for social, economic and cultural wellbeing; ancestral lands, heritage, flora and fauna, fisheries, minerals and energy. The plan details the Whakatohea rohe, hapu and marae.	Not sure	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	Robert Edwards: Email: chairman@whakatohea.co.nz

Iwi Management Plans

IWI/HAPU ORGANISATION	PLAN TITLE	ROHE OF PLAN	RESOURCES incl WATER?	RECOGNISED BY IWI AUTHORITY	FORMALLY LODGED	LINKS TO PLAN
Te Arawa	Te Arawa Maori Trust Iwi Resource Management Strategy Plan	Te Arawa rohe	Incorporates claim and land ownership issues wanted in the regional policy statement and associated plans. Recommends RPS recognise Te Arawa rangatiratanga over their resources, their history, permanence and mana whenua in the Bay of Plenty. Outlines principles for an effective partnership with EBOP, including kaitiakitanga of the region's resources. Does not reference specific iwi environmental concerns.	Not known	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	Te Arawa Lakes Trust, kim@tearawa.iwi.nz
Te Runanganui O Tapuika me Waitaha	Tribal Policy on Resource Management, Nga Aukati Taonga o Tapuika Waitaha	Not known	Outlines values and beliefs of the iwi relating to their natural resources in the tribal area, and arrangements for interacting with Tapuika and Waitaha. Includes policies for the environment, e.g. the need to conserve and protect the mauri of natural and physical resources.	Not known. Now two separate runanga	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	Tapuika Iwi Authority, Dean Flavell Ph: 021 135 9992 Email: deanf@tapuika.iwi.nz, Waitaha Raupatu Trust, Maru Tapsell Ph: 07 577-0112 Email: waitaha.resource.mgmt@gmail.com
Ngati Pukenga ki Tauranga	Ngati Pukenga he matakite (2000)	not stated	This plan sets out the 2020 vision for Ngati Pukenga as part of Tauranga District Council long term strategic direction in 2000. Has a section on environment including freshwater. The plan promotes protection, enhancement and avoidance of specifically two water bodies. Solutions proposed include education of Councils, representation of Maori in council and protection against development.	Not known	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	Ngati Pukenga ki Tauranga Trust, Violet Smallman, pukenga1@tra.co.nz
Ngaiterangi	Ngaiterangi Iwi Resource Management Plan 1995 (Update for 2004-09 focuses on fisheries, growth, land, foreshore and seabed)	not stated	Plan focuses on coastal and harbour resources. Freshwater referred to as contributing to the harbour i.e. inland waterways. The plan has hapū sections that refer to pollution and siltation of specific waterways. The methods for addressing these issues include: not issuing consents for sensitive waterways, restoration/conservation programmes for waterways, reduction of farm run-off and organic farming methods, recognition of land takings for water catchments and putting levies on <u>any</u> activity that has effects on inland waterways. Two sections of the plan cover governance and management structures for participating in management of natural and physical resources.	Not known	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	Te Runanga Ngai Te Rangi, Demetrius Samuels Ph: 07 575 3765 Email: demetrius@ngaiterangi.org.nz
Ngati Ranginui	Report to Maori Issues forum	not stated	This report outlines the tribe's position on iwi management, the district scheme, the RMA and landfill disposal.	not stated	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	Ngati Ranginui Iwi Society emma.hall@ranginui.co.nz
Ngati Ranginui, Ngai Te Rangi me Ngati Pukenga	Voices: Ko te tiroirohia a mua a Ngati Ranginui - Nga Korero Whakahiahia o Ngaiterangi me Ngati Pukenga 1997	Tauranga Moana	This document presents the iwi perception for council's role in future development. Addresses seven main issues: Ancestral footstool, wellbeing, sustainable settlements, protection of natural and physical resources, access and opportunity to economic development, resource use and waste management and transport and communication. Outlines the impact of growth in the district on social structures and environment, with approaches to mitigate and avoid negative impacts on hapu and marae.	not stated	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	see each iwi authority above
Ngaitai	Draft Ngaitai Iwi Management Plan 2002	Opape, Opotiki area, Bay of Plenty	This plan details the resource management aspirations of Ngaitai iwi. Covers consultation, relevant legislation, a resource management statement and the environmental management systems of Ngaitai iwi.	No (in 2005)	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	Ngaitai Iwi Authority Carlene Davis Ph: 07 315-8485 Email: carlenedavis@ngaitai.iwi.nz
Ngaitai	Ngaitai Kaitiaki Resource Management Principles and Operational Policies	Opape, Opotiki area, Bay of Plenty	Addresses the impacts of dams, flood prevention measures, marinas, pest control, genetically modified organisms on Ngaitai natural resources	Not known	No	Ngaitai Iwi Authority Carlene Davis Ph: 07 315-8485 Email: carlenedavis@ngaitai.iwi.nz
Ngai Tamahaua	Te Nuka Kokiri o Ngai Tamahaua Strategic Plan 2002-2006 and implementation addendum	Not stated	Outlines principles which Ngai Tamahaua want to have implemented to ensure the growth and development of the hapu. Seeks to establish a Treaty based relationship with council based on a spirit of goodwill. Sets 12 goals to provide specific resource management policy.	Not known	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	Robert Edwards: Email: chairman@whakatohea.co.nz
Rangitaiki hapu coalition	Rangitaiki Hapu Coalition Cultural Baseline Report	Rangitaiki River, Bay of Plenty	Provides information about places and values of significance along the Rangitaiki River as baseline for monitoring of twin peaking flows.	Not known	No. Council holds informally. Negotiations underway (Dec 2005) for formalising	Te Arawa Lakes Trust, kim@tearawa.iwi.nz
