

# Your submission to Proposed mandatory phase out of single-use plastic shopping bags

**Reference no:** 6131

**Submitter Type:** Individual

**Clause**

1. Do you agree with the proposed mandatory phase out of the sale or distribution of single-use plastic shopping bags in New Zealand, including those made of degradable (eg, oxo-degradable, biodegradable and compostable) plastic? Why / why not?

**Position**

Yes

**Notes**

Absolutely vital and that it extends into other plastics in our environment

**Clause**

2. We have proposed a mandatory phase out of single-use plastic shopping bags. This could include under 50 microns or under 70 microns in thickness. If you agree with a mandatory phase out, which option do you prefer, and why?

**Position**

Other (please specify)

**Notes**

All, including other single use plastics

**Clause**

3. Are you aware of types of single-use plastic shopping bags that should be exempt from a mandatory phase out?

**Position**

Yes

**Notes**

Do not believe a differentiation should be in place

**Clause**

4. Do you currently manufacture, sell, provide or import for sale or personal use these types of single-use plastic shopping bags:

**Position**

No

**Notes**

**Clause**

5. Should smaller retailers be exempted from a mandatory phase out of single-use plastic shopping bags? Why / why not?

**Position**

No

**Notes**

We had used paper bags for the past 40-50 years, these should be adequate

**Clause**

6. If smaller retailers are exempted from a mandatory phase out of single-use plastic shopping bags and they are defined by their number of full-time equivalent employees, what should that number be?

**Notes**

N/A

**Clause**

7. The proposed mandatory phase-out period for single-use plastic shopping bags is at least six months from when regulations are Gazetted , subject to consultation. Do you agree with this timing?

**Position**

No

**Notes**

The consultation period should be shortened and this ban brought in as soon as possible

**Clause**

8. Do you agree that the benefits expected from implementing a mandatory phase out of single-use plastic shopping bags exceed the costs expected from implementing the phase out? Why / why not? Please consider both monetary and non-monetary costs and benefits (those that can be measured by money as well as those that can't).

**Position**

Yes

**Notes**

There should be minimal phase out costs, there were no phase in costs associated with the transition from paper

**Clause**

9. Do you think that reasonably practicable alternatives to single-use plastic shopping bags exist in New Zealand? Why / why not?

**Position**

Yes

**Notes****Clause**

10. How can people be encouraged to reuse multiple-use shopping bags enough times to offset the environmental impacts of producing them? (select one or more)

**Position**

Other (please specify)

**Notes**

Multiuse bags, cardboards, paper bags are all viable alternatives

**Clause**

11. What would help you and your family adjust to life without single-use plastic shopping bags?

**Notes**

Make it mandatory

**Clause**

12. How can data on single-use plastic shopping bags and other single-use plastics entering the market and monitoring of reductions be improved?

**Notes**

Is this really necessary a trip down any country road will show multiple plast bags and other product spread across our country

**Clause**

13. Please provide any additional comments or suggestions about the proposed mandatory phase out of single-use plastic shopping bags.

**Notes**

Phase out all other plastics on a scheduled program as well as part of this as the issue is much larger than the single use shopping bags.
