To whom this may concern.

I am writing to you in protest to once again another rascal decision against the majority of this country. **Once again I feel like a second class citizen in my own home country because I am not maori, my ancestors came here on a boat like most maori, so why are you giving the water to them?????????????????????????????????????** I am a staunch National party voter and if this even goes through parliament, and you once again bend over and give the child jumping up and down the most what they want, I will be changing my vote!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Once again I am submitting to you in protest at giving iwi the control of water in this country, HOW IS THIS FAIR TO ALL KIWI, you are creating division between ordinary kiwis and people who are not even full maori but will use that to get something they want.

I bet they won't pay for all the flood repair when things go wrong!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! NO ONE CONTROLS WATER, ONLY NATURE!

Regards
Nita Jackett
