Subject: Water Ownership
Date: Friday, 15 April 2016 6:57:27 p.m.

Dear MFE,

I oppose allowing the ownership of any water in New Zealand by any one other than New Zealanders. It is everybody's responsibility to keep our water clean and fresh and every New Zealander (regardless of race) should have the ability to feel that they can be connected and proud of the country they were born in or choose to reside in!

Kind regards

Karen Lombard
