In particular that portion pertaining to Fresh Water and Our Environment, Fresh Water and Our Environment, covered in " clauses 3.1 - 3.8, in the section 'Iwi Rights and Interests in Fresh Water', The proposed Iwi Rights and Interests, stated in those clauses, are a threat to the principle of "democratic rights and equality" for "all" New Zealand citizens. * Now, in the 21st Century, throughout the world, original settlers, have merged in with later settlers/invaders. i.e the Celts in the England. The Gauls (Also called Celts), in France. Descendants of the original settlers of such countries, have not been granted rights to "disproportional control" over matters of National Interest. * New Zealand is lauded to the world, by the Government, as a harmonious multi cultural country. It must be kept an "Equal Opportunity" country, regardless of Origin. ** There is now over 100 Races and Cultures, calling themselves, New Zealanders. ** 'All', would have an interest in the quality of New Zealand's water. ** In a 'ALLEGED' DEMOCRATIC SOCIETY. Every individual, of every Race, 'should have an equal say' , into how the waters should be protected. ** NO ONE RACE, OR INDIVIDUALS WITHIN THAT RACE, MUST BE GIVEN DISPROPORTIONAL RIGHTS, TO CONTROL, ON ANY MATTER. IN THIS CASE, "WATER". End of Submission. P.A.B. Nicol.
