1. Actions from the meeting of 28 September 2009

- 1.1 ECan and Far North – You indicated that you would still like to announce both reviews at the same time and that your preference is to move sooner rather than later. The Ministry is to discuss a timeframe with Local Government officials again and work with DIA to look for a non-legislative review process. Timeframes prevent a formal process (because of local body election). The Ministry and DIA are therefore to discuss an informal review with the new ECan chairman, Alec Neil. **In progress.**
