

Your submission to Zero Carbon Bill

Ian, **Potts Farm Limited (Ian & Kevin Potts)**

Reference no: 10358

Submitter Type: Individual

Clause

1. What process should the Government use to set a new emissions reduction target in legislation?

Notes

Grow lots and lots of plantation's of tree's for harvest, and lots and lots of native bush all over New Zealand to help Mother Earth do her job!!. ((I am not a Greenie either))
