Adapting to the impact of climate change

Here is my view on this: www.one-point-zero.com/wp-content/uploads/2018/07/NZ-Govt-Climate-Change-Submission-6-Zero-Carbon-Accounting-Fix-the-Flaws.pdf

An extra point to consider - climate finance

The Zero Carbon Act should also provide a framework for transparency and accountability around New Zealand's international climate finance.

Conclusion

NZ is losing THE MOST important contribution it can make to 'Climate Change' Read my submission here
