August 2018 5:30 a.m. To: Wastefree Subject: Submission on the proposed mandatory phase out of single-use plastic shopping bags Dear Hon. Eugenie Sage, I support a mandatory phase-out on the sale and distribution of all single-use plastic bags. There is an the seventh continent that is a third of the size of the United States but completely uninhabited. And for good reason, since it consists of an accumulation of plastic waste in the oceans: <https://www.livingcircular.veolia.com/en/eco-citizen/seventh-continent-plastic> Please be responsible and make the right choice. Yours sincerely, Sandra Negro
