August 2018 7:32 p.m. To: Wastefree Subject: Submission on the proposed mandatory phase out of single-use plastic shopping bags Dear Hon. Eugenie Sage, I support reduced wastage. I support a huge reduction in the use of plastic. However my biggest concern is that a Green Party in government and a regional fund for new businesses hasn't been able to rapidly support regional businesses to recycle our mountain of plastic waste, in roads, building blocks, etc. and to support the many new inventions that reduce plastic waste in the ocean. Yours sincerely, Maxine Dignan
