5:46 p.m. To: Wastefree Subject: Submission on the proposed mandatory phase out of single-use plastic shopping bags Dear Hon. Eugenie Sage, As a child there were no plastic bags! Oh my goodness what did we do?? Things were put in paper bags, boxes, wrapped in greaseproof paper, and or newspaper. Clean green New Zealand is behind the 8 ball on this - not many people and lots of space "she'll be right" - what an embarrassing mess we are in - hey and lets bring back the glass milk bottle too :) and take the plastic and stickers off our produce Yours sincerely, Shirley Wells
