

Your submission to Proposed mandatory phase out of single-use plastic shopping bags

Domen Jesenovec

Reference no: 479

Submitter Type: Individual

Clause

1. Do you agree with the proposed mandatory phase out of the sale or distribution of single-use plastic shopping bags in New Zealand, including those made of degradable (eg, oxo-degradable, biodegradable and compostable) plastic? Why / why not?

Position

Yes

Notes

Clause

2. We have proposed a mandatory phase out of single-use plastic shopping bags. This could include under 50 microns or under 70 microns in thickness. If you agree with a mandatory phase out, which option do you prefer, and why?

Position

Other (please specify)

Notes

All plastic bags, regardless of thickness.

Clause

3. Are you aware of types of single-use plastic shopping bags that should be exempt from a mandatory phase out?

Position

No

Notes

Clause

4. Do you currently manufacture, sell, provide or import for sale or personal use these types of single-use plastic shopping bags:

Position

No

Notes

Clause

5. Should smaller retailers be exempted from a mandatory phase out of single-use plastic shopping bags? Why / why not?

Position

No

Notes

Clause

6. If smaller retailers are exempted from a mandatory phase out of single-use plastic shopping bags and they are defined by their number of full-time equivalent employees, what should that number be?

Notes

I don't have any reason why any retailer should be exempted.

Clause

7. The proposed mandatory phase-out period for single-use plastic shopping bags is at least six months from when regulations are Gazetted, subject to consultation. Do you agree with this timing?

Position

Yes

Notes

Clause

8. Do you agree that the benefits expected from implementing a mandatory phase out of single-use plastic shopping bags exceed the costs expected from implementing the phase out? Why / why not? Please consider both monetary and non-monetary costs and benefits (those that can be measured by money as well as those that can't).

Position

Yes

Notes**Clause**

9. Do you think that reasonably practicable alternatives to single-use plastic shopping bags exist in New Zealand? Why / why not?

Position

Yes

Notes

All supermarkets in New Zealand already offer affordable reusable bags. People just need to start using already available alternatives.

Clause

10. How can people be encouraged to reuse multiple-use shopping bags enough times to offset the environmental impacts of producing them? (select one or more)

Position

national information campaign and mobile phone app for shoppers

Notes**Clause**

11. What would help you and your family adjust to life without single-use plastic shopping bags?

Notes

I haven't used a single use plastic bag for over a year. I keep a couple of reusable bags in my car, so whenever I go shopping I can use them. Easy as!

Clause

13. Please provide any additional comments or suggestions about the proposed mandatory phase out of single-use plastic shopping bags.

Notes

I am extremely happy New Zealand is thinking about banning single use plastic bags and I hope this gets approved as soon as possible!
