

# Your submission to Proposed mandatory phase out of single-use plastic shopping bags

Espresso Rescue Ltd (Conrad Adams)

## Reference no: 49

Submitter Type: Business / Industry

### Clause

1. Do you agree with the proposed mandatory phase out of the sale or distribution of single-use plastic shopping bags in New Zealand, including those made of degradable (eg, oxo-degradable, biodegradable and compostable) plastic? Why / why not?

### Position

Yes

### Notes

These bags are unnecessary. Once we don't have them it will very quickly become normal to always have your own bag.

### Clause

3. Are you aware of types of single-use plastic shopping bags that should be exempt from a mandatory phase out?

### Position

No

### Notes

### Clause

4. Do you currently manufacture, sell, provide or import for sale or personal use these types of single-use plastic shopping bags:

### Position

No

### Notes

### Clause

5. Should smaller retailers be exempted from a mandatory phase out of single-use plastic shopping bags? Why / why not?

### Position

No

### Notes

We use paper bags and encourage customers to reuse.

### Clause

6. If smaller retailers are exempted from a mandatory phase out of single-use plastic shopping bags and they are defined by their number of full-time equivalent employees, what should that number be?

### Notes

Not necessary. Provide recycled boxes

### Clause

7. The proposed mandatory phase-out period for single-use plastic shopping bags is at least six months from when regulations are Gazetted, subject to consultation. Do you agree with this timing?

### Position

Yes

### Notes

### Clause

8. Do you agree that the benefits expected from implementing a mandatory phase out of single-use plastic shopping bags exceed the costs expected from implementing the phase out? Why / why not? Please consider both monetary and non-monetary costs and benefits (those that can be measured by money as well as those that can't).

### Position

Yes

### Notes

Rapidly people will change to bring their own bags

### Clause

9. Do you think that reasonably practicable alternatives to single-use plastic shopping bags exist in New Zealand? Why / why not?

**Position**

Yes

**Notes**

**Clause**

10. How can people be encouraged to reuse multiple-use shopping bags enough times to offset the environmental impacts of producing them? (select one or more)

**Position**

voluntary incentive schemes by individual retailers

**Notes**

**Clause**

11. What would help you and your family adjust to life without single-use plastic shopping bags?

**Notes**

We haven't bought or taken a plastic bag from a shop for years. Always take a box or a bag

**Clause**

13. Please provide any additional comments or suggestions about the proposed mandatory phase out of single-use plastic shopping bags.

**Notes**

Great job team. It would make a lot of sense. Would be good to work on plastic and polystyrene single use cookware next.
