

# Your submission to Proposed mandatory phase out of single-use plastic shopping bags

John Boon, **John Maxim Boon Boon**

## Reference no: 5552

**Submitter Type:** Individual

### Clause

1. Do you agree with the proposed mandatory phase out of the sale or distribution of single-use plastic shopping bags in New Zealand, including those made of degradable (eg, oxo-degradable, biodegradable and compostable) plastic? Why / why not?

### Position

Yes

### Notes

### Clause

2. We have proposed a mandatory phase out of single-use plastic shopping bags. This could include under 50 microns or under 70 microns in thickness. If you agree with a mandatory phase out, which option do you prefer, and why?

### Position

less than 70 microns in thickness

### Notes

Prefer as many single use plastics be removed as possible.

### Clause

3. Are you aware of types of single-use plastic shopping bags that should be exempt from a mandatory phase out?

### Position

No

### Notes

### Clause

4. Do you currently manufacture, sell, provide or import for sale or personal use these types of single-use plastic shopping bags:

### Position

No

### Notes

### Clause

5. Should smaller retailers be exempted from a mandatory phase out of single-use plastic shopping bags? Why / why not?

### Position

No

### Notes

### Clause

7. The proposed mandatory phase-out period for single-use plastic shopping bags is at least six months from when regulations are Gazetted , subject to consultation. Do you agree with this timing?

### Position

Yes

### Notes

As soon as possible please.

### Clause

8. Do you agree that the benefits expected from implementing a mandatory phase out of single-use plastic shopping bags exceed the costs expected from implementing the phase out? Why / why not? Please consider both monetary and non-monetary costs and benefits (those that can be measured by money as well as those that can't).

### Position

Yes

### Notes

It's a tiny step towards saving our environment.

**Clause**

9. Do you think that reasonably practicable alternatives to single-use plastic shopping bags exist in New Zealand? Why / why not?

**Position**

Yes

**Notes**

Of course there are practical alternatives.

**Clause**

10. How can people be encouraged to reuse multiple-use shopping bags enough times to offset the environmental impacts of producing them? (select one or more)

**Notes**

Just ban them. Other countries have.

**Clause**

11. What would help you and your family adjust to life without single-use plastic shopping bags?

**Notes**

We do not use single use bags already and it is no inconvenience.

**Clause**

12. How can data on single-use plastic shopping bags and other single-use plastics entering the market and monitoring of reductions be improved?

**Notes**

Create incentives to reduce plastic packaging. Tax 2nd and all subsequent items of plastic packaging on all items - in order to fund proper recycling projects. Smart companies would quickly change their packaging strategies. Small companies would become more competitive.

**Clause**

13. Please provide any additional comments or suggestions about the proposed mandatory phase out of single-use plastic shopping bags.

**Notes**

Get rid of ALL single use plastic bags that are not 100 percent recycled.
