### Position

Yes

### Notes

**Clause**

10. How can people be encouraged to reuse multiple-use shopping bags enough times to offset the environmental impacts of producing them? (select one or more)

**Position**

national information campaign and mobile phone app for shoppers

**Notes**

The government needs to take more responsibility and put money aside for these sorts of things as we pride ourselves on being clean and green yet many European countries put us to shame.

**Clause**

11. What would help you and your family adjust to life without single-use plastic shopping bags?

**Notes**

We have already phased out single use plastic in our family
