Please make sure all goods are not over wrapped.

Fund investigations into how to wrap meat and other goods in alternatives to plastic wrap.

Approach supermarket chains to open fresh meat counters to cut down on pre packed meat.

To put pressure on manufacturers to investigate their products in using alternative materials to plastic eg cotton buds

To ensure that all recycled materials collected by the public are recycled correctly once they reach recycling plants.

To fund the clean up of our oceans.

To increase awareness of the worlds environmental state through education. Run some serious scientific competitions . Our young people need to rake their future in their hands. They will come up with some new ideas!

Thank you
