

# Your submission to Proposed mandatory phase out of single-use plastic shopping bags

same, **Daphne Cozens**

## Reference no: 6337

**Submitter Type:** Individual

### Clause

1. Do you agree with the proposed mandatory phase out of the sale or distribution of single-use plastic shopping bags in New Zealand, including those made of degradable (eg, oxo-degradable, biodegradable and compostable) plastic? Why / why not?

### Position

Yes

### Notes

with a 12 month exit plan, Put a levy on them collected by central Govt, a "future proof NZ Contribution fund"

### Clause

2. We have proposed a mandatory phase out of single-use plastic shopping bags. This could include under 50 microns or under 70 microns in thickness. If you agree with a mandatory phase out, which option do you prefer, and why?

### Position

less than 50 microns in thickness

### Notes

### Clause

3. Are you aware of types of single-use plastic shopping bags that should be exempt from a mandatory phase out?

### Position

Not sure

### Notes

### Clause

4. Do you currently manufacture, sell, provide or import for sale or personal use these types of single-use plastic shopping bags:

### Position

No

### Notes

### Clause

5. Should smaller retailers be exempted from a mandatory phase out of single-use plastic shopping bags? Why / why not?

### Position

Yes

### Notes

for 12 months on exit plan, Put a levy on them collected by central Govt, a "future proof NZ Contribution fund"

### Clause

6. If smaller retailers are exempted from a mandatory phase out of single-use plastic shopping bags and they are defined by their number of full-time equivalent employees, what should that number be?

### Notes

6

### Clause

7. The proposed mandatory phase-out period for single-use plastic shopping bags is at least six months from when regulations are Gazetted , subject to consultation. Do you agree with this timing?

### Position

No

### Notes

Put a levy on them collected by central Govt, a "future proof NZ Contribution fund"

### Clause

7a. If no, what do you think would be a more appropriate phase-out period?

**Position**

one year

**Notes**

Put a levy on them collected by central Govt, a "future proof NZ Contribution fund"

**Clause**

8. Do you agree that the benefits expected from implementing a mandatory phase out of single-use plastic shopping bags exceed the costs expected from implementing the phase out? Why / why not? Please consider both monetary and non-monetary costs and benefits (those that can be measured by money as well as those that can't).

**Position**

No

**Notes**

Put a levy on them collected by central Govt, a "future proof NZ Contribution fund"

**Clause**

9. Do you think that reasonably practicable alternatives to single-use plastic shopping bags exist in New Zealand? Why / why not?

**Position**

No

**Notes**

Some will be single used, and can be worse for their full cycle carbon foot print

**Clause**

9a. If no, what do you think is missing currently that would need to be available?

**Notes**

Buy some time, ideas overseas and in NZ are vibrant.

**Clause**

10. How can people be encouraged to reuse multiple-use shopping bags enough times to offset the environmental impacts of producing them? (select one or more)

**Position**

Other (please specify)

**Notes**

Put a levy on them collected by central Govt, a "future proof NZ Contribution fund"

**Clause**

11. What would help you and your family adjust to life without single-use plastic shopping bags?

**Notes**

Put a levy on them collected by central Govt, a "future proof NZ Contribution fund" they will become aware of the problem

**Clause**

12. How can data on single-use plastic shopping bags and other single-use plastics entering the market and monitoring of reductions be improved?

**Notes**

Put a levy on them collected by central Govt, a "future proof NZ Contribution fund"

**Clause**

13. Please provide any additional comments or suggestions about the proposed mandatory phase out of single-use plastic shopping bags.

**Notes**

Don't divide the nation. Put a levy on them collected by central Govt, a "future proof NZ Contribution fund" those that want to continue using them can, but can also contribute in the 'kiwi spirit' and help fund recycling infrastructure for the future.
