

# Your submission to Proposed mandatory phase out of single-use plastic shopping bags

Sian Small

## Reference no: 672

Submitter Type: Individual

### Clause

1. Do you agree with the proposed mandatory phase out of the sale or distribution of single-use plastic shopping bags in New Zealand, including those made of degradable (eg, oxo-degradable, biodegradable and compostable) plastic? Why / why not?

### Position

Yes

### Notes

Phasing out plastic bags is an official way of saying that the Government acknowledges NZ needs to make a change and forces people to do this. We can't make the changes we need with individual action alone

### Clause

2. We have proposed a mandatory phase out of single-use plastic shopping bags. This could include under 50 microns or under 70 microns in thickness. If you agree with a mandatory phase out, which option do you prefer, and why?

### Position

Other (please specify)

### Notes

I believe all single use plastic bags should be banned as people will not develop habits to recycle or reuse plastic bags as they do not respect them

### Clause

3. Are you aware of types of single-use plastic shopping bags that should be exempt from a mandatory phase out?

### Position

No

### Notes

### Clause

4. Do you currently manufacture, sell, provide or import for sale or personal use these types of single-use plastic shopping bags:

### Position

No

### Notes

### Clause

5. Should smaller retailers be exempted from a mandatory phase out of single-use plastic shopping bags? Why / why not?

### Position

No

### Notes

Consumers need to change their habits, smaller retailers providing bags will not produce this change

### Clause

7. The proposed mandatory phase-out period for single-use plastic shopping bags is at least six months from when regulations are Gazetted , subject to consultation. Do you agree with this timing?

### Position

Yes

### Notes

### Clause

8. Do you agree that the benefits expected from implementing a mandatory phase out of single-use plastic shopping bags exceed the costs expected from implementing the phase out? Why / why not? Please consider both monetary and non-monetary costs and benefits (those that can be measured by money as well as those that can't).

### Position

Yes
