Please consider both monetary and non-monetary costs and benefits (those that can be measured by money as well as those that can't).

Position

Yes

Notes**Clause**

9. Do you think that reasonably practicable alternatives to single-use plastic shopping bags exist in New Zealand? Why / why not?

Position

Yes

Notes

There are many reusable options including bags/boxes/other vessels

Clause

10. How can people be encouraged to reuse multiple-use shopping bags enough times to offset the environmental impacts of producing them? (select one or more)

Position

voluntary incentive schemes by individual retailers

Notes**Clause**

11. What would help you and your family adjust to life without single-use plastic shopping bags?

Notes

We have already started to drastically reduce our plastic bag usage by purchasing reusable alternatives
