

# Your submission to Proposed mandatory phase out of single-use plastic shopping bags

**Reference no:** 748

**Submitter Type:** Individual

**Clause**

1. Do you agree with the proposed mandatory phase out of the sale or distribution of single-use plastic shopping bags in New Zealand, including those made of degradable (eg, oxo-degradable, biodegradable and compostable) plastic? Why / why not?

**Position**

Yes

**Notes**

Because there is just no point in carrying on with such a wasteful habit and we can use alternatives.

**Clause**

2. We have proposed a mandatory phase out of single-use plastic shopping bags. This could include under 50 microns or under 70 microns in thickness. If you agree with a mandatory phase out, which option do you prefer, and why?

**Position**

Other (please specify)

**Notes**

Zero just end it already there is no need to phase it out just get rid of the plastic bags .

**Clause**

3. Are you aware of types of single-use plastic shopping bags that should be exempt from a mandatory phase out?

**Position**

No

**Notes**

No - There are great alternatives.

**Clause**

4. Do you currently manufacture, sell, provide or import for sale or personal use these types of single-use plastic shopping bags:

**Position**

No

**Notes**

I do run a painting and decorating business and I have told my employees there is no place for single use plastics in our work (very difficult when so many things come wrapped in single use plastic! )

**Clause**

5. Should smaller retailers be exempted from a mandatory phase out of single-use plastic shopping bags? Why / why not?

**Position**

No

**Notes**

Why the heck would you. Just get rid of all single use plastic now

**Clause**

6. If smaller retailers are exempted from a mandatory phase out of single-use plastic shopping bags and they are defined by their number of full-time equivalent employees, what should that number be?

**Notes**

0 as in zero single use plastics

**Clause**

7. The proposed mandatory phase-out period for single-use plastic shopping bags is at least six months from when regulations are Gazetted , subject to consultation. Do you agree with this timing?

**Position**

No

**Notes**

The sooner the better!

**Clause**

7a. If no, what do you think would be a more appropriate phase-out period?

**Position**

two months

**Notes**

The sooner the better.

**Clause**

8. Do you agree that the benefits expected from implementing a mandatory phase out of single-use plastic shopping bags exceed the costs expected from implementing the phase out? Why / why not? Please consider both monetary and non-monetary costs and benefits (those that can be measured by money as well as those that can't).

**Notes**

I don't even understand this question. .. less excuses more action ... get rid of single use plastics.

**Clause**

9. Do you think that reasonably practicable alternatives to single-use plastic shopping bags exist in New Zealand? Why / why not?

**Position**

Yes

**Notes**

I use reusable shopping bags everytime I go to the shop and when I forget I ask for a box.

**Clause**

10. How can people be encouraged to reuse multiple-use shopping bags enough times to offset the environmental impacts of producing them? (select one or more)

**Position**

national information campaign and mobile phone app for shoppers

**Notes****Clause**

11. What would help you and your family adjust to life without single-use plastic shopping bags?

**Notes**

We have already adjusted

**Clause**

12. How can data on single-use plastic shopping bags and other single-use plastics entering the market and monitoring of reductions be improved?

**Notes**

By banning them all

**Clause**

13. Please provide any additional comments or suggestions about the proposed mandatory phase out of single-use plastic shopping bags.

**Notes**

I think I made my point.
